Mit unserem mobilen Lebenshof und Sheep sponsorships we create encounters human and doob heart and soul and give rescued rescued a home that is a long life and loves to live. Our mission We are currently creating encounters between man and animal for heart and soul together with our rescued flock of sheep to change pastures in our village. From them, children and adults experience delays, reception, appreciation, and with each visit the moments and experiences become more intense, the individual characters more familiar. It is not only scientifically proven that encounters with animals change us in a positive way, but we are also allowed to see it every day. With us, the animals that need to be slaughtered or given to the shelter receive a loving and long home. Our vision We create our own life, piece by piece, where more meetings can take place and even more animals can find a home. We want to create a place where more and more people can enjoy the positive effects of encountering animals at events and courses, broaden their own horizons and respect and appreciate animals. Our values animals are just like us, sensitive beings who experience fear and pain, but also joy and happiness. At a time when more and more animals seem to be suffering indescribably, we want to give hope and open our hearts. We believe that meetings between man and animals enrich both sides for the heart and soul. Values like compassion and respect for each of us carry us. By making life and dealing with our protégés in public, and by enabling as many people as possible to encounter animals for the heart and soul, we show how a respectable cohabitation can be obvious and enriches a person's life in such a multifaceted way. (Definition live and live from the Dictionary of Advanced Students at Cambridge & Thesaurus © Cambridge University Press) Quotes marked as live-and-let-live shows 1-23 of 23 You start living when you commit your life to causing higher than yourself. You must learn to depend on divine power to fulfill a higher calling. - Lila Donate Akita Let it be me or let me be. Anthony Liccione 7 Steps to Transformation:1. Dream about it. I'm imagining three. I think it's four. Grow it 5. Stand 6. Live 7. IT is not only democracy, but also immoral. If a person has no right to impose his wishes on another, then ten million men are not allowed to impose their desires on one, since the beginning of power is wrong (and if the majority can not even make it morally permissible). Opinions - even the majority - neither create truth nor change facts. Lynch mafia is democracy in action. So much for the mafia. — Morris The market for freedom If you judge a person you don't even know about the tattoos they have, the piercings they have, the way they dress or how they look like you in general, you are the one with the question, do not them. Stop the hatred. It's not good to live and live, to let it go away, to forgive and forget to let the past be the past or any of the other clichés that your family and friends will try to convince you to forget about what happened and move on. Try not to receive these messages. — Beverly Engel. Right to Innocence Life is at different stages. Every stage of life is the basis for the next stage of life. Every stage of life must be fully alive. Experience is not necessarily accumulated for the time it has lived. In my opinion, it accumulates above the degree and variety of activities in which a person has participated — People have the right not to change according to our desire, suggestion or command, even if the change will not benefit, but not from them. — Mokokoma Mokhonoana We can only live life when we understand life. — Lila Gifty Akita, Think Great: Be Great! Adversity check if we can really live for our dreams. Great!
